

# Terms of Service

Last updated: June 26, 2020

These Terms of Service (these "**Terms**") govern your access to and use of the web-based platform available at: <https://sparta.akropolis.io/>, including software, components, API, mobile, and other applications available through such platform or related to it (collectively, the "**Platform**"), provided by Akropolis Decentralised Ltd, a company incorporated under the laws of Gibraltar and having company number 116430 ("**Akropolis**", "**we**", or "**our**").

By connecting your digital wallet to the Platform, by clicking the button "I accept" or respective check box in connection with or relating to these Terms, or by using or accessing the Platform, you ("**you**" or "**your**") accept without modifications and agree to be bound by these Terms, which form a legally binding agreement between you and Akropolis. If you do not accept or agree to these Terms, you have to immediately cease from using the Platform.

If you are acting for or on behalf of an entity, you hereby represent and warrant that you are authorised to accept these Terms and enter into a binding agreement with Akropolis on such entity's behalf, and you accept these Terms on behalf of such entity and on your own behalf. In such circumstances, references in these Terms to "your" or "you" shall be references to both the above entity on whose behalf an individual using the Platform is acting, and to such individual.

Please read these Terms carefully as they affect your obligations and legal rights. Note that Sections 22 and 23 contain the choice of law, binding arbitration provisions, and class action waiver. Please read and review Sections 16, 17 and 18 carefully before accepting these Terms or using the Platform as they provide for the limitation of liability, your obligations to indemnify Akropolis and Akropolis Parties, and contain disclaimer of warranties with regard to the Platform and Akropolis Pool, and Section 21, which contains the statement of risks involved.

## 1. MODIFICATION

Akropolis may modify, supplement or update these Terms from time to time at its sole discretion. If we make changes to these Terms, we will provide you with notice of such changes by providing a notice via the Platform and/or updating the "Last Updated" date at the top of these Terms. Unless otherwise specified in our notice, updated Terms shall be effective immediately, and your continued use of the Platform will conform the acceptance of such updated Terms. If you do not agree to any amended Terms, you must immediately cease from using the Platform.

## 2. AKROPOLIS POOL

Akropolis Pool is an open-source decentralised protocol developed by Akropolis and deployed on the Ethereum blockchain (the "**Akropolis Pool**"), which utilises smart-contract systems and blockchain-based software to enable users interact with each other and autonomously carry out certain transactions with Virtual Assets, as defined below.

The Platform allows you to access the Akropolis Pool, utilise its functionality, interact with the Akropolis Pool and other users or groups of users within the Akropolis Pool.

## 3. ELIGIBILITY

To be eligible to access and use the Platform, you must:

- (i) be able to form a legally binding agreement with Akropolis on terms herein set forth;

- (ii) be at least 18 (eighteen) years of age, or of such higher age required to enter into a binding agreement with Akropolis on the terms set out herein according to the laws of the jurisdiction where you reside;
- (iii) use the Platform for your business purposes only, and not as a consumer, and you hereby further agree and acknowledge that the Platform is available for your commercial use only.

#### **4. NO AGENCY OR CUSTODIAL RELATIONSHIP**

You hereby acknowledge and agree that Akropolis does not provide any custodial or similar services, custodial solutions or software, does not act as your agent or representative, and does not control or custody any of your funds or virtual assets, including cryptocurrencies and other cryptographic tokens, such as AKRO, Bitcoin, and ETH (the "**Virtual Assets**").

Akropolis shall not be responsible for or held liable in connection with the transfer, delivery, use, or any other operations carried out by you or any other user of the Platform, and shall not be acting as an intermediary in any transaction nor shall it be responsible for ensuring that any transaction made with the use of the Platform or otherwise on the blockchain (distributed ledger) is actually completed or performed.

Akropolis does not control or influence the transactions with Virtual Assets, and therefore is unable to cancel, reverse, block, or freeze any transactions conducted by you or any other user of the Platform.

#### **5. WARRANTIES AND REPRESENTATIONS**

You represent and warrant to Akropolis that:

- (i) you have sufficient understanding of the functionality, usage, storage, transmission mechanisms and intricacies associated with Virtual Assets, Virtual Asset storage facilities, including digital wallets, distributed ledger technology, blockchain-based software, and decentralised finance (DeFi) in general;
- (ii) you access and use the Platform only for commercial (business) purposes, and you do not access or use the Platform as a consumer;
- (iii) any digital wallet used by you with or within the Platform is either owned by you, or that you are validly authorised to carry out actions using such digital wallet;
- (iv) any funds used by you within the Platform are from legitimate sources and were lawfully acquired;
- (v) you shall be solely responsible for all and any operations and transactions with Virtual Assets carried out via the Platform;
- (vi) you acknowledge and agree that Akropolis does not act as your agent or fiduciary, and that Akropolis does not control or custody your Virtual Assets or funds in any manner whatsoever;
- (vii) if you are acting for or on behalf of an entity, such entity is duly incorporated, registered, validly existing and in good standing under the applicable laws of the jurisdiction in which the entity is established, and in each jurisdiction where it conducts business;
- (viii) accessing and/or using the Platform is not unlawful or prohibited under the laws of your jurisdiction or under the laws of any other jurisdiction to which you may be subject, and your access to and use of the Platform shall be in full compliance with applicable laws;

- (ix) you are not subject to any sanctions administered or enforced by any country, government or international authority nor are you resident or established (in the case of a corporate entity) in a country or territory that is subject to a country-wide or territory-wide sanction imposed by any country or government or international authority;
- (x) you will comply with any applicable tax obligations in your jurisdiction arising from your acquisition, storage, sale, or transfer of Virtual Assets, or another use of the Platform;
- (xi) all of the above representations and warranties are true, complete, accurate, and non-misleading from the time when you accept these Terms, and for the whole period of your use of the Platform.

## 6. PROHIBITED USE

You agree that you shall not conduct or participate in any of the following activities when accessing or using the Platform, or in connection with such access or use:

- (i) disrupting, interfering with, or inhibiting other users from using the Platform, or carry out activities that could disable, impair, or harm the functioning of the Platform or servers, or underlying software;
- (ii) posting, uploading, or submitting any content that is illegal, infringing, harmful, offensive, or inappropriate (the final decision on whether the content is appropriate shall be taken by Akropolis in its sole opinion and discretion);
- (iii) using the Platform or underlying software for any illegal purposes, including, but not limited to, terrorism financing and money laundering;
- (iv) circumventing or attempting to circumvent any access or functionality restrictions or limitations with respect to the Platform or underlying software;
- (v) carrying out activities aimed at manipulating the market, Virtual Assets prices, spoofing, or wash trading;
- (vi) violating any rights of any third persons, including trademark and intellectual property rights;
- (vii) carrying out fraudulent activities, providing any false, inaccurate or misleading information in order to unlawfully obtain Virtual Assets or another property of other users or third persons;
- (viii) copying, reproducing, or cloning the Platform as a whole, or duplicate its essential elements, or create any derivative works from the Platform without prior written consent of Akropolis;
- (ix) carrying out any other unlawful activities, or activities that violate any applicable regulations, rules, orders, etc.

## 7. THIRD-PARTY CONTENT

In using the Platform, you may view certain content provided by third parties, including, inter alia, reasons, descriptions, promotions, materials, and links to third-party services, software, resources, or websites (the “**Third-Party Content**”). Akropolis is not responsible for, shall not be held liable in connection with, and does not make any warranties, whether express or implied, as to the Third-Party Content, does not endorse and is not responsible for any information, statements, content, advertisements, goods, or services, or other materials on or available from such services, software, resources, or websites. You hereby affirm and acknowledge that your use of Third-Party Content, and

your interactions with third parties that are linked to or from the Platform, is at your own risk. Akropolis shall not be responsible for, and shall not be held liable in connection with:

- (i) any loss or damage of any sort incurred as the result of accessing or using of any Third-Party Content;
- (ii) your use of third-party software, for example, your use of third-party digital wallets, such as, for illustration purposes only, MetaMask, Bitski or similar software;
- (iii) actions or security measures of any service, platform, or software, which is used to connect your digital wallet to the Platform.

## **8. USER GENERATED CONTENT**

You may be allowed to post, create, or furnish certain information, materials, or content through the Platform (the “**User Generated Content**”). If you post, create, or provide any User Generated Content, you must ensure that such content at all times is true, accurate, complete, and up to date, and that such content does not violate the law or any rights of third parties. By creating or providing any User Generated Content you warrant that you own all intellectual property rights in and to such content, and that such content does not violate any rights of third parties or laws. You shall be solely liable and responsible for your User Generated Content.

We do not immediately review all User Generated Content nor do we have such an opportunity. We do not undertake any obligations in respect to the User Generated Content, e.g. obligation to review or post such content, or obligations of confidentiality. At all times, we retain the right to remove any User Generated Content without any prior notice or liability in case we, at our sole discretion, determine that such content is offensive, unacceptable, may harm us or violate these Terms, any laws or public order.

Akropolis may use, reproduce, disclose, make publicly available and otherwise exploit any of your comments, suggestions, recommendations or other feedback provided in connection with or relating to the Platform, our other products and services throughout the world in its sole discretion, without restrictions or any obligations to you.

By creating User Generated Content on the Platform, you grant Akropolis a non-exclusive, irrevocable, royalty free, perpetual, fully paid up, worldwide license (right) to use, copy, edit, reproduce, translate, publicly display and perform, distribute, create derivative works from your User Generated Content and the right to assign these rights to third parties in whole or in part.

## **9. CONNECTING DIGITAL WALLET**

In order to use the functionality of the Platform, you may be required to connect your digital wallet, which constitutes Third-Party Content, as defined herein. Akropolis does not receive access to or control over your digital wallet connected to the Platform, or Virtual Assets held in such digital wallet. You may disconnect your digital wallet from the Platform at any time.

Akropolis is not responsible for, shall not be held liable in connection with, and does not make any warranties, whether express or implied, as to the digital wallets used by you with the Platform. When using third-party digital wallets, you should review applicable terms and policies that govern your use of such digital wallets.

## **10. UPDATES**

Akropolis may from time to time, without prior notice make certain updates, improvement, or modifications to the Platform, including, but not limited to, updates to the underlying software, infrastructure, security protocols, technical configurations, functionality, financial structure, or service features.

## **11. LICENSE**

Subject to your compliance with these Terms, Akropolis hereby grants you a limited, non-transferable, non-exclusive, revocable, non-sublicensable license (right) to access and use the Platform for its intended purposes on the terms set forth herein. Should you breach or violate these Terms, the license granted pursuant to this Section 11 shall automatically terminate and cease.

The License contained in this Section 11 shall not cover any open source software, components and items, which are distributed on the terms set forth in the applicable licenses.

## **12. PROPRIETARY RIGHTS**

The Platform may contain names of services and products, logos, trademarks and other marks which are owned by Akropolis, its Affiliates, meaning a person controlling, controlled by, or under the same control with Akropolis (the “**Affiliate**”), or applicable licensors. You do not receive any rights, title, or interest in or to such names, logos, trademarks and other marks, and Akropolis and its respective licensors reserve the right to prohibit any use of such names, logos, trademarks, and other marks at any time. You may not obscure, remove or alter any marks or notices displayed in the Platform. Any rights not expressly granted to you under Section 11 are reserved by Akropolis, its respective Affiliates, and/or other rightsholders.

Certain components used in the Platform may be distributed under open source licenses, the terms of which shall be made available to you, and you agree to abide by and comply with the terms of such licenses, if applicable. Subject to the foregoing sentence, the Platform, including its elements and components, may not be copied, reproduced or imitated, in whole or in part, without our prior written permission.

## **13. AVAILABILITY AND ACCESS**

Generally, we are not going to terminate access to the Platform for any eligible person, the Platform is public and generally can be accessed without login or registration. At the same time, availability and functionality of the Platform depend on various factors. Akropolis does not warrant or guarantee that the Platform will operate and/or be available at all times without disruption or interruption, or that it will be immune from unauthorised access, bug-, virus-, or error-free.

The Platform may be inaccessible or inoperable from time to time for any reason, including, for example, equipment malfunctions, maintenance procedures or repairs, force majeure circumstances, disruptions, and temporary or permanent unavailability of the underlying blockchain infrastructure, and/or unavailability of respective third party service providers or external partners. In the aforementioned cases, the access or use of the Platform may be prevented or limited without notice.

We may, at any time and without prior notice or any liability terminate or discontinue the Platform or any of its components.

## **14. RESTRICTION OF ACCESS**

You hereby agree that Akropolis may install and utilise certain software and/or tools (for example, geo-blocking solutions) allowing to identify users from certain restricted jurisdictions, or those who have violated these Terms or the laws, and restrict their access to and use of the Platform. Akropolis may further restrict your access to the Platform with immediate effect and without notification if you violate these Terms.

## **15. NO ADVICE**

No part of the information or content available on the Platform should be considered to be business, legal, financial, investment, or tax advice regarding any matters to which all or any part of such

information relates. You should consult your own legal, financial, tax, or other professional advisor regarding this information. We shall not be responsible for the accuracy of the information and materials on the Platform, therefore any use of such information or materials is at your own discretion and risk and you are solely responsible for any possible damages or losses arising from such use.

## **16. LIMITATION OF LIABILITY**

To the maximum extent permitted under the applicable law, in no event shall:

- (i) Akropolis, its Affiliates, shareholders, directors, officers, employees, agents, advisors, and assignees (collectively, "**Akropolis Parties**") be liable for any indirect, special, punitive, exemplary, incidental, or consequential damages of any kind, nor shall they be liable for the loss of goodwill, loss of profits, loss of data, diminution of value, and business interruption arising out of or in connection with these Terms or their violation, the use or inability to use the Platform or Akropolis Pool, and/or the failure of the Platform or Akropolis Pool to perform as represented or expected, whether based upon breach of warranty or contract, negligence, strict liability, tort, or any other legal theory, regardless of whether Akropolis Parties have been advised of the possibility of such damages;
- (ii) Akropolis's officers, directors, employees and shareholders be held personally liable in connection with these Terms or their violation, or the use or inability to use the Platform and Akropolis Pool, provided that this item (ii) shall not limit the liability of Akropolis as an entity;
- (iii) Akropolis Parties be liable for any damages or losses arising in connection with a hacker attack, fishing attack, viruses, or trojan horses, whether transmitted via the Platform or otherwise, or any other unauthorised third party intervention in the operation of the Platform or Akropolis Pool;
- (iv) Akropolis Parties be responsible or held liable for inaccuracies of content or third persons' conduct;
- (v) the aggregate liability of Akropolis Parties to you for all damages and losses whatsoever arising out of or in connection with these Terms or their violation, the use or inability to use the Platform and Akropolis Pool shall be limited to US \$100 (one hundred U.S. dollars).

You shall not, and to the maximum extent permitted under the law hereby waive any right to, seek to recover the damages listed above in this Section 16 from Akropolis Parties and/or persons specified above. Inasmuch as some jurisdictions do not allow the exclusions or limitations as set forth herein, the full extent of the above exclusions and limitations may not apply.

## **17. INDEMNIFICATION**

To the fullest extent permitted under the applicable law, you shall indemnify, defend and hold harmless Akropolis Parties, as defined in Section 16, from and against any and all claims, demands, actions, damages, losses, costs, and expenses (including reasonable professional and legal fees) that arise from or relate to (i) your violation of these Terms, including making untrue or false representations or warranties, (ii) your access to or use of the Platform, and (iii) exercising, enforcing, or preserving Akropolis's rights, powers or remedies (or considering doing so) with respect to you in connection with these Terms. Akropolis reserves the right to exercise sole control over the defence, at your sole cost and expense, of any claim subject to an indemnity set out in this Section 17. The indemnity set out in this Section 17 is in addition to, and not in lieu of, any other remedies that may be available to Akropolis under the applicable law.

## **18. NO WARRANTY**

The Platform and Akropolis Pool are provided “as is” and “as available”. The Platform and Akropolis Pool are provided without warranty of any kind, express or implied, including, but not limited to, the implied warranties of title, non-infringement, integration, merchantability and fitness for a particular purpose, and any warranties implied by any course of performance or usage of trade, **all of which are expressly disclaimed**. Akropolis does not warrant, whether expressly or impliedly, that: (a) the Platform or Akropolis Pool shall work as expected, and that any information will be timely, accurate, reliable, or correct; (b) the Platform or Akropolis Pool will be secure or available at any particular time or place; (c) any defects or errors in the Platform or Akropolis Pool will be corrected; or (d) the Platform or Akropolis Pool will be free of viruses, bugs, trojan horses, malfunctions, or other harmful components. Your use of the Platform and Akropolis Pool is solely at your own risk.

## 19. WAIVER OF FIDUCIARY DUTIES

The Platform, these Terms or any other service or product of Akropolis are not intended to create or impose any fiduciary duty on Akropolis with respect to you. Notwithstanding anything to the contrary contained in these Terms or applicable provision of law or equity, to the maximum extent permitted by the applicable law, Akropolis shall owe no fiduciary duties to you, provided, however, that Akropolis shall have the duty to act in accordance with these Terms and the implied contractual covenant of good faith and fair dealing.

## 20. ASSOCIATED COSTS

The Platform is free to use. Nevertheless, when you conduct transactions through the Platform certain fees, costs and expenses may arise, including, for example, gas costs. You shall bear all expenses, fees and costs associated with transactions that you carry out through the Platform.

## 21. STATEMENT OF RISKS

By using the Platform and/or accepting these Terms you expressly acknowledge, accept, and assume the risks set out below. You acknowledge, accept, and assume the risks set out below and represent that Akropolis Parties, as defined in Section 16, cannot be held liable for any damages or losses arising from or in connection with such risks.

You acknowledge and agree that using the Platform carries significant potential financial, regulatory, reputational risks, and other risks, including but not limited to:

- **Risk of Software Weaknesses.** The Platform operates with Akropolis Pool, which is deployed on the Ethereum blockchain. As a result, any malfunction, breakdown or abandonment of the Ethereum blockchain may have material adverse effect on the Platform. Moreover, advances in cryptography, or technical advances such as the development of quantum computing, could present risks to the Platform and Akropolis Pool, by rendering ineffective the cryptographic consensus mechanism that underpins the Ethereum blockchain. The smart contract concept, the underlying software application and software platform (i.e. the Ethereum blockchain) are still in an early development stage and unproven. There is no warranty or assurance that the Platform or Akropolis Pool will be uninterrupted or error-free and there is an inherent risk that they could contain defects, weaknesses, vulnerabilities, viruses or bugs causing, inter alia, the complete loss of your Virtual Assets;
- **Regulatory Risk.** Blockchain technology allows new forms of interaction and it is possible that certain jurisdictions will apply existing regulations on, or introduce new regulations addressing, blockchain technology-based applications. These may be contrary to the current setup of the above technologies, and may, inter alia, result in substantial modifications to the Platform or underlying software. Therefore, there is uncertainty as to

the legal and regulatory licences and requirements that will be required, and whether Akropolis will be able to obtain necessary licenses or permissions;

- **Risks Associated with Uncertain Regulations and Enforcement Actions.** The regulatory status of Virtual Assets, the Platform, Akropolis Pool and distributed ledger technology is unclear or unsettled in many jurisdictions. It is difficult to predict how or whether regulatory authorities may apply existing regulation with respect to the above. It is equally difficult to predict how or whether any legislative or regulatory authorities may implement changes to law and regulation affecting distributed ledger technology and its applications, including the Platform, Akropolis Pool, and Virtual Assets. Regulatory actions could negatively impact Akropolis in various ways. Accordingly, your ability to access or use the Platform or Akropolis Pool, including your access to the Virtual Assets, may be limited or impeded; and the Platform may be not available in certain jurisdictions;
- **Risk of Losing Access to Virtual Assets Due to Loss of Private Key(s), Custodial Error or Your Error.** Certain Virtual Assets can only be accessed by using a combination of your public and private key, or, in certain cases, — your account information (address), private key and password, whereas the private key is encrypted with a password. You acknowledge, understand and accept that if your private key or password gets lost or stolen, the Virtual Asset associated with such key may be unrecoverable and permanently lost. Additionally, any third party that gains access to your private key, including, for example, by gaining access to the login credentials relating to your Ethereum wallet, may be able to misappropriate your Virtual Assets. Any errors or malfunctions caused by or otherwise related to the digital wallet or vault in which you choose to receive and store Virtual Assets, including your own failure to properly maintain or use such digital wallet or vault, may also result in the loss of your Virtual Assets;
- **Risks arising from taxation.** The tax characterisation of Virtual Asset is uncertain. You must seek your own tax advice in connection with acquisition, storage, transfer, and use of Virtual Asset, which may result in adverse tax consequences to you. This includes without limitation, withholding taxes, transfer taxes, value added taxes, income taxes, and similar taxes, levies, duties, or other charges and tax reporting requirements;
- **Volatility and Speculation Risks.** Blockchain technologies and associated Virtual Assets are highly volatile due to multiple factors including but not limited to speculation, lack of regulation, regulatory, and security risks. The price of a Virtual Asset may change dramatically and rapidly. Certain Virtual Assets may lose their value entirely. You shall not hold Akropolis or Representatives liable in connection with the change in price of Virtual Assets;
- **Transaction Risks.** Transactions with Virtual Assets carried out via the Platform are irreversible and final. You may not claim refunds or cancel transactions once they are processed by the blockchain. You are solely responsible for your transactions carried out through the Platform and on the blockchain, and you will carefully appraise and assess the risks involved in every such transaction before it is made. You shall solely make all decisions with regard to your transactions, and shall be solely responsible for their consequences.

## 22. APPLICABLE LAW

These Terms, as well as any and all relationship between you and Akropolis relating to the Platform and Akropolis Pool shall be governed by and construed and enforced in accordance with the laws of England and Wales, without regard to conflict of law rules or principles that would cause the application of the laws of any other jurisdiction. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to these Terms.

## 23. DISPUTES RESOLUTION

Except for any disputes, claims, suits, actions, causes of action, demands, or proceedings (collectively, “**Disputes**”) in which either party seeks injunctive or other equitable relief for the alleged unlawful use of intellectual property, including, without limitation, copyrights, trademarks, trade names, logos, trade secrets or patents, you and Akropolis hereby agree to settle and finally resolve any Dispute arising out of or in connection with these Terms, the Platform or Akropolis Pool in binding arbitration and in accordance with this Section 22. Binding arbitration is the referral of a Dispute to a qualified person(s) who will review the Dispute and make a final and binding determination, by making an order, to resolve the Dispute.

For any Dispute that you have against Akropolis or relating in any way to these Terms or the Platform, you agree to first contact Akropolis and attempt to resolve the Dispute informally by sending a written notice of your claim (the “**Notice**”) to Akropolis by email at: [team@akropolis.io](mailto:team@akropolis.io). The Notice must include your name, residence address, email address, and telephone number, describe the nature and basis of the Dispute and set forth the specific relief sought. If Akropolis and you cannot reach an agreement to resolve the Dispute within thirty (30) days after such Notice is received, then either party may submit the dispute to binding arbitration administered by the LCIA, in accordance with the terms set forth below.

Any Disputes arising out of or in connection with these Terms, the Platform, or Akropolis Pool, including any question regarding the existence, validity, or termination of the Terms, shall be referred to and finally resolved by the binding arbitration under the London Court of International Arbitration (LCIA) Rules, which Rules are deemed to be incorporated by reference herein. Any arbitration will occur in London, UK. You will not and hereby waive your rights to object to the arbitration prescribed herein.

Unless otherwise required by the applicable law, and to the maximum extent permitted and possible, you, Akropolis, and the arbitrators shall maintain the confidentiality of any arbitration proceedings, judgments and awards, including, but not limited to, all information gathered, prepared and presented for purposes of the arbitration or related to the Disputes. Unless prohibited under the law, the arbitrator will have the authority to make appropriate rulings to safeguard confidentiality.

Any Dispute arising out of or related to these Terms is personal to you and Akropolis and will be resolved solely through individual arbitration and will not be brought as a class arbitration, class action or any other type of representative proceeding in any circumstances. There will be no class or other type or representative action, whether within or outside of arbitration where an individual attempts to resolve a Dispute as a representative of another individual or group of individuals.

To the maximum extent permitted under the law, you and Akropolis waive the rights to a jury trial, class action arbitration, and to have any Dispute resolved in court.

To the maximum extent permitted under the law, you and Akropolis hereby agree that any claim arising out of or related to these Terms, the Platform or Akropolis Pool must be filed within one (1) year after the ground for such claim arose; if the claim is not filed within this term, such claim shall be permanently barred, which means that neither you, nor Akropolis will have the right to assert such claim.

## 24. COMMUNICATION

You agree and consent to receive electronically all communications, agreements, documents, receipts, notices, and disclosures (collectively, “**Communications**”) that Akropolis provides in connection with these Terms and the Platform. You agree that Akropolis may provide Communications to you by posting them on the Platform, on its website available at: <https://akropolis.io/>, or on its Medium blog available at: <https://medium.com/akropolis/>. If you provide us your email address, we may (but will not be obliged to) send Communications to you by email. All Communications specified in this paragraph shall be deemed in writing, valid and of full legal force.

You may electronically communicate with us by sending Communications to the following email address: [team@akropolis.io](mailto:team@akropolis.io). Akropolis may require you to provide additional data or documents that will allow us to identify you.

## **25. FORCE MAJEURE**

Akropolis shall not be liable for (i) any inaccuracy, error, delay in, or omission of any information, or the transmission or delivery of information; (ii) any loss or damage arising from any event beyond Akropolis' reasonable control, including but not limited to flood, extraordinary weather conditions, earthquake, or other act of God, fire, declared and undeclared war, epidemic, pandemic, insurrection, riot, labour dispute, accident, action of government, court or other authorities, communications failure, power failure, equipment or software malfunction, or any other cause beyond Akropolis' reasonable control.

## **26. NO WAIVER**

No failure or delay by Akropolis to exercise any right or remedy provided under these Terms or by law shall constitute a waiver of that or any other right or remedy, nor shall it preclude or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that or any other right or remedy.

## **27. ENTIRE AGREEMENT**

These Terms, together with any documents incorporated herein by reference, contain the entire agreement between you and Akropolis, and supersede all prior and contemporaneous understandings, writings, letters, statements or promises between you and Akropolis regarding the subject matters hereof. Unless otherwise expressly provided herein, there shall be no third party beneficiaries to these Terms.

## **28. PERSONAL DATA**

Please learn more about how we process your personal data in our general Privacy Policy available at <https://akropolis.io/assets/ac6a206e1a3fe337a8f4229886dad710.pdf> and the Platform Privacy Policy available at [link to additional PP], which forms a part of the general Privacy Policy.

## **29. SURVIVAL**

Sections 16, 17, 18, 19, 22, 23, 24, 26, 30, 31, 32 and 33 shall survive any expiration or termination of your access to or use of the Platform, regardless of the reasons.

## **30. LANGUAGE**

Currently, only English version of any Akropolis' communications is considered official. The English version shall prevail in case of differences in translation of any documents, Communications or other content.

## **31. ASSIGNABILITY**

Neither party may assign or transfer any rights or obligations under these Terms without other party's prior written notice, provided, however, that Akropolis may assign and transfer this Agreement, all and any rights and obligations hereunder to its Affiliate or successor, without your consent or approval, or any prior notice.

## **32. VALIDITY AND ENFORCEABILITY**

The invalidity or unenforceability of any provision or part-provision of these Terms shall not affect the validity or enforceability of any other provisions of these Terms, all of which shall remain in full force and effect.

**33. INTERPRETATION**

Unless the context otherwise requires, a reference to one gender shall include a reference to the other genders; words in the singular shall include the plural and in the plural shall include the singular; any words following the terms including, include, in particular, for example or any similar expression shall be construed as illustrative and shall not limit the sense of the words, description, definition, phrase or term preceding those terms; Section headings do not affect the interpretation of this Agreement. You hereby agree that a rule of construction does not apply to the disadvantage of Akropolis because it was responsible for the preparation of these Terms.

-----
